SCHEDULING and PERFORMANCE TIMES

A time schedule will be e-mailed (provided that an email address was correctly provided on your registration) no later than seven (7) days before the competition date to all entrants. In order to receive a detailed schedule, your account must be paid in full.

There is NO general format. Every regional schedule is based solely on the breakdown of entries by solos, duet/trios, groups and lines in each age division for that particular city. This breakdown is not available until all of the entries have been processed. At that time, a schedule will be set to best accommodate the entrants at that competition. No time requests will be accepted.

ALL ENTRIES MUST COMPETE ON THE DAY AND TIME ASSIGNED. We understand that there are sometimes unforeseen events that can arise. Any entry, which is not able to compete at their assigned day and time, may request an alteration to the routine's performance time. If this is approved, this routine may be permitted to compete for ADJUDICATION ONLY and may not be eligible for high score awards. Any change in competition days and/or times is at the sole discretion of the Director and will be determined by the time allowance at each Regional Competition.

The number in which each routine is assigned is for reference and identification purposes. Routines are expected to perform in numerical order unless granted special permission by the Competition Director. If the backstage manager sees potential delays due to costume changes, you may be asked to compete out of sequence in order. Please be prepared to compete when we call your number, even though it may be a few numbers earlier than you anticipated.

- Unauthorized delay of a performance may result in point deduction and/or disqualification.
- Any routine not performed within 10 entries of their scheduled order may not be eligible for overall high score awards unless pre-approved by the Competition Director.

Performers MUST be checked in with the Backstage Manager 1 HOUR prior to their scheduled performance time. Failure to do so may result in your routine being disqualified.

****NOTE**** If you determine that you do not have enough time between numbers to change costumes, it is imperative that you advise the backstage manager. If the backstage manager has not been notified of any problem, and you are not ready to compete when called, your routine may be disqualified.

GENERAL DIVISIONS / TIME LIMITS

IMPORTANT: Any person who is actively participating in a routine for ANY amount of time is counted as a performer and must be registered as such. This includes any person who can be seen by the judges for any amount of time, and any person who may be in a costume that covers their face.

Solo – (1) Performer

Time Limit - 2:45 minutes

Fashion Modeling Time Limit – 1:30 minutes

- Solos **MUST** compete in the competition level in which the dancer is registered originally on the studio's roster. (The only exception is Fashion Modeling, Pointe & Vocal Solos, which must compete in Level 3).

- A contestant may not place more than once for high score in the Solo division.

Duet/Trio - 2-3 Performers

Time Limit - 2:45 minutes

At any Regional competition, if any act drops below the minimum number of performers required in the group they registered for, the act will be adjudicated, however, the act will not be eligible for High Score Awards. *EXAMPLE:* A group of 10 performers registered as a Large Group... if 1 performer is unable to perform, this will then drop the number in the group to 9. The routine can still be judged as a Large Group, but they will not be eligible for the High Score Awards. If the routine changes to a Small Group, and that Small Group division has not yet competed, then they will be eligible for High Scores.

AGE DIVISIONS

AGES ARE DETERMINED BASED ON THE DANCERS AGE ON DECEMBER 31ST, 2022.

DIVISIONS: 4 & Under; 5-6 Yrs; 7-8 yrs; 9-11yrs; 12-14 yrs; 15-16 yrs; 17-19 yrs; 20-29 yrs; 30-39 yrs; 40-49 yrs; 50 yrs and over. DETERMINING AGE DIVISION: Duets/Trios, Groups and Lines will compete at the average age division determined by averaging the age of all members of the group. Do not use decimals or round up. Example: If the average comes to 11.8, they will compete in the 11-year old age division.

ADULT AGE DIVISION: Any routine with a performer 20 years or older will compete in the Adult Division (*with the exception of the 12 & Over Grand Line Division*). GRAND LINES – The oldest performer in an 11 & Under Grand Line may not be more than 19 years of age.

COMPETITION LEVELS

Studios are required to assign a competition level for EACH performer when they are entering their roster in the registration system. Please be certain that you are entering your performers in the CORRECT PERFORMANCE LEVEL. *NOTE: DANCERS MAY ONLY BE REGISTERED AT ONE LEVEL...Any dancer found to be registered in more than one level may be disqualified (This includes if a dancer's name has been entered into the system with a 'slight difference' in spelling, but is actually the same dancer).* Dancer's levels WILL NOT be able to be changed once entered.

SOLOS MUST COMPETE AT THE LEVEL IN WHICH THEY ARE REGISTERED ON THE STUDIO ROSTER.

ASSIGNING LEVELS

The following **guidelines** are suggestions to be used in determining the appropriate level placement of each competitor. Because no competition can possibly know how many hours a child dances or for how many years they have danced, it is left to the teachers own sound judgement when entering level placement for their students.

- **LEVEL 1** (*formerly Novice*): This competition level division is for dancers who have little or no experience competing., and have a basic understanding of dance terminology. Dancers may only be considered 'Level 1' dancers for a maximum of 3 years. ***NEW - Level 1 Dancers are limited to a TOTAL of (5) routines in the solo, duet/trio, small group and large group divisions combined. There is no limit on the number of lines or grand lines. A Level 1 dancer may NOT compete in more than 3 routines in Level 2 (with the exception of lines and grand lines).** Entries will be adjudicated, and will receive High Score Awards within this level.
- **LEVEL 2** (*formerly Intermediate*): This competition level is for the 'on the rise' dancers, and is recommended for dancers who have had approximately 2-5 years of competition experience. Entries will be adjudicated, and will receive High Score Awards within this level.
- **LEVEL 3** (*formerly Advanced*): This competition level is for *top-level competitive* dancers who perform at an advanced technical level. All entries will be adjudicated, and will receive High Score Awards. ****This is the ONLY level that is eligible to receive Prize Monies. In addition, only advanced dancers are eligible to receive the Highest Level Adjudication.*
- ***NEW EXTRAORDINARY ABILITY LEVEL** - The Star Dance Alliance has created a level at all of our competitions designed for dancers who have different abilities and may face developmental or physical challenges. We want these inspirational dancers have a place to flourish and shine like the stars that they are. This level is intended to give dancers that may have certain obstacles the ability to be judged fairly within their own level. Focus is placed on spotlighting these dancers in their unique abilities in an uplifting, respectful and loving way. Scoring will focus on showmanship, memorization and musicality. Dancers registered in this division may not compete in any other level other than lines or grand lines. Entries will be adjudicated and will receive High Score Awards within this level.

****IMPORTANT**** - It is at the judges discretion to move any routine that they feel is placed in a level below their ability to the level in which they feel is necessary. All judges decisions are FINAL. If the judges determine that a routine should be moved to a different level, and that level has already competed, the routine will then be eligible for adjudication only.

IF ANY ROUTINE IS BUMPED TO A HIGHER COMPETITION LEVEL AT ANY SDA COMPETITION, IT MUST COMPETE AT THE HIGHER LEVEL AT THE WORLD DANCE CHAMPIONSHIP.

Small Groups and Duet/Trios - The highest level of dancer in a routine will determine the level of the routine. *Example: One Level 3 Dancer and 8 Level 2 Dancers will determine the routine to be placed in Level 3. One Level 2 dancer and 8 Level 1 dancers will determine the routine to be placed in Level 2.*

Large Groups and Lines - No more than 1/3 of the dancers in a routine may be a higher performance level than the level that the routine is entered. *Example: If a routine has 12 dancers - 4 Level 3, 4 Level 2 & 4 Level 1, the routine will be placed in 'Level 3' because 1/3 or more of the dancers are Level 3.*

IMPORTANT NOTES ON COMPETITION LEVELS –

- No dancer that is registered in 'Level 3' will be permitted to perform in ANY 'Level 1' routines.
- No level changes may be made at the door.
- **NEW - NO LEVELING UP of any routine in Duet/Trios, Small Groups or Large Groups. These routines must compete at the level that the performers are placed in (determined by the rules above).** *Example: A large group contains (10) Level 2 dancers and (2) Level 3 dancers, the rules above will place them in the Level 2 division, and they MAY NOT 'Level Up' to Level 3. (Lines and Grand Lines may Level Up)*
